Program Director/Project Coordinator update:

Libby shared report. No questions. Libby presented on Youth Summit, shared still collecting numbers from admin but was ready for event. Encouraged members to participate at community time. We discussed admin concerns with continuing to hold event. Conflicts may be long day, sports. Updated on programs through the Y. At this time, no volunteers to go to Road to Tree Town. Will wait to hear feedback from others with the event being on a Saturday rather than a weekday. Provided Prescription Use Logic Model.
