7/25/19

Attendance:

Kathleen Grunhovd, Steve Hepperly, Larry Hill, Morgan Lawson, Rhonda Schriever, Taylor Brown, Molly Winter

Upcoming Events

- September 4th, 2019 – AC4C conference in Johnston, Iowa. Ask Molly or Taylor for more details. CEU's available
- September 12th, 2019 – WCTF's Awareness Fair at Heritage Center in Buffalo Center

Notes:

1. Amazing Race at the fair was a success!
 - 8 teams participated (varying ages, group numbers)
 - Possibly add more stacking/balance beams/stacking cups activities
 - Have one board per group for corn hole
 - Put what each places receives for a prize on flier
 - Start/stop location separate from WCTF booth – too many people to run into
 - Have this activity done throughout the year (post prom, other community/school nights)
 - \$500 seemed to be a good amount for prizes – gift cards hard to split between people on team
 - Spread stations about further
 - Possibly add one more station
 - If event held outside – rain location?
2. Tobacco 21
 - Going to pursue county wide age 21 restrictions on tobacco
 - Rhonda would like IDPH involved
 - Larry Hill stated he would support this
 - Steve Hepperly recommended getting in contact with Kelsey Beenken
3. AC4C Conference
 - CEU's available
 - 1 day event in Johnston, Iowa

Next meeting: August 15, 2019 in Lake Mills
